

## **“NOT A SUSPECT” Script**

INT. SURGICAL WING - ICU 2 - AFTERNOON

Henry, dressed in scrubs, walks past the stationed guard, into the ICU, and approaches Solomon who is preparing some instruments.

HENRY  
(irritated)  
Sol, they refused me at the door.  
You know, I was told to be here  
this morning and...

SOLOMON  
Who refused you?

HENRY  
Hoskin and Slater.

SOLOMON  
Sorry Henry, you know that Slater  
has the final word.

HENRY  
But why? I passed all the tests, it  
is preposterous at this point to  
assume I pose any danger.

SOLOMON  
We can't take any chances Henry.

HENRY  
I didn't cause it, Sol.

SOLOMON  
You've got to understand that this  
is a routine investigation, it's  
not about you personally.

HENRY  
Then why am I not in there  
operating right now?

SOLOMON  
Nobody suspects you, Henry.

Henry spies Taylor giving some fluid medication to a patient, and storms over.

HENRY  
(angry)  
What did you just do?

TAYLOR  
What?

HENRY  
That's my patient, nurse. You  
better have a damn good reason for  
what you just did.

TAYLOR  
I was taking the patient's pulse.

HENRY  
No, you were giving her something.

TAYLOR  
Just her vitamins.

HENRY  
Tell me what you gave her.

TAYLOR  
Nothing, just the vitamins.

HENRY  
Don't you dare lie to me, I saw the  
whole thing!

Solomon enters.

SOLOMON  
What is going on in here?

TAYLOR  
Nothing Dr. Solomon.

HENRY  
I caught her giving something to my  
patient!

TAYLOR  
Only vitamins, Dr. Solomon, just  
the daily routine.

HENRY  
Give me the bottle.

Taylor gives him the bottle.

Henry (cont'd)  
Aha! No label!

Henry races over to a pile of medical paperwork and digs through it, looking for the label.

SOLOMON  
(warning)  
Henry!

Henry finds a vitamin label. He gets up and slowly moves a couple of steps backwards.

HENRY  
I'm sorry, I thought... Sorry  
nurse, will you please excuse me.

Henry turns around and leaves, embarrassed.
